## Recommendations

- [Eslam Nader](#) --- Project Technical Lead at EGBank

Emad is a very talented professional with a very wide variety of skills and a great team player , He always helps his colleges , push them forward , motivate them

- [Ahmed Mahdy](#) ---Web Developer at RITSol allied

Emad is hard worker with ability to think out of the box and the most advantage i like is that he doesn't afraid to work in any development project even the framework is unknown to him.

- [Khaled Emad](#) ---IT-Technical support at Ritsol allied

he is very clever person and hard worker you can trusted with him in sharepoint ,asp.net, sql, hyper v , all Microsoft technologies

- [Yasmin Milad](#) ---Secretary في Bavely PCO

he is a very dedicated person and works hard to gain new knowledge I would recommend him as one of the trusted IT Pros

- [Mohamed Alwy](#) ---Global knowledge Resident Information system security officer at Bank Muscat

Eng .emad adel creative thinking, expertise, positive can-do attitude and drive as a system admin professional made him an absolute pleasure to work with. he continually delivered results, went above and beyond in providing exceptional service and support, and showed genuine integrity and respect as a service provider.

- [Mahmoud Aleryan](#) --- Microsoft SharePoint Solutions Architect

I know Emad since more than three years, and I found Emad passion of technology and willing to learn new technologies easily in short time with less supervision. Also he is willing to volunteer for IT community activities and share knowledge with other team members.
